Dear Supporter,

“Together we Aspire, Together we Achieve” is our organization’s motto, which serves as a catalyst for dedication and determination to help others. The Barbados American Charitable Organization of New Jersey, Inc. has for the past thirty two years provided assistance to many people and organizations as we strive to help others who are less fortunate. We have also celebrated the contributions some outstanding members of our communities.

This year we will be celebrating Forty Five Years of Barbados’ Independence. We will be Honoring and supporting the **Barbados Council for the Disabled**; an organization that is dedicated to taking proactive steps to advance the inclusion of persons with disabilities in Barbados. In addition, we will be honoring **Tony Best**, distinguished Barbadian journalist and **Sergeant Kenrick Reid** of the Plainfield Police Department.

We will also be tallying the efforts of our **‘Nothing but Nets’** campaign. This is an effort to raise funds to buy pesticide treated mosquito net to help combat the devastating loss of lives caused by malaria in our mother land, Africa. A \$10.00 net can save several lives.

To help us celebrate our country’s 45<sup>th</sup> Anniversary of Independence, we have enlisted the services of **Red Plastic Bag**, Nine- time Soca Monarch and **Terencia “TC” Coward** Soca and Party Monarch to be our special entertainers this year.

Therefore, we invite you to participate in any way of the following ways:

**Sponsorship opportunities**; the attached materials detail the different levels of sponsorship.

**Our Souvenir Journal**; Prices and details also attached.

**Ticket Sales**: You may obtain tickets from any of our members or through PayPal

**Nothing but Nets**: You may purchase as many nets as you wish to help save lives.

Thank you in anticipation of your support; be assured that your donation will be used in a responsible and effective manner. BACONJ is a 501 c 3 not for profit organization; therefore donations for our organization are tax deductible.
